Kansas City, Missouri 64108

**We are in a two story red brick building 2 blocks east of Broadway on 19th St. between Wyandotte and Central St. across for an old Fire Station.**

**Parking,**

Parking is a half block away on Central, Wyandotte, 18th, 19th streets and the parking lot at 19th and Central.

Please DO NOT park in the lot just east of the building or in front of the back door entrance. Parking for grip truck, equipment and props trucks loading and unloading at the loading dock directly behind the back of the building.

**Entrance,**

Cast and crew can enter through the front or back of the building. We prefer talent and crew use the back entrance. The door should be open if not, ring the door bell. The backdoor is metal and grey there is a StagePort sign right above the door. No one is allowed in StagePort between 9 p.m. and 7 a.m. without the agreement of the StagePort Manager.
